

Information for ART/DES 419: Professional Internship in the Arts

ART/DES 419: Professional Internship in the Arts is a valuable resource for students interested in exploring art-related career options. It is an opportunity to use the skills you have learned, and to gain professional-type experience in various art-related fields. It requires self-discipline, self-motivation, and a firm basis of knowledge. Internships can be paid or unpaid; both are acceptable for credit.

What are the requirements?

1. Sophomore, Junior, or Senior standing.
2. You must work at least 150 hours (in-person and/or remote) for 2 units of credit over the fall, spring, or summer semester.
3. You must be doing some art-related or design-related.
4. You must work under a supervisor, someone from whom you can learn (working independently/freelance does not count).
5. No more than 30% clerical/mental tasks, such as answering phones, filing, making copies, etc.
6. Have your sponsor/supervisor fill out an internship contract with you and sign at the bottom.
7. You DO need to register for units AND pay tuition for these units, if you want/need credit towards your degree requirements.
8. At the end of your internship, you need to write a 3-page reflection paper describing what you have learned. This is generally due during the last week of classes during the term in which you register.
9. Your grade will be based 50% on an evaluation form which your sponsor/supervisor will fill out at the end of your internship, and 50% on the paper you write (*see #8 above*).
10. **If you have met all the above requirements, check with Antonio Bartolome for approval.**

Fill out the Internship contract with your sponsor/supervisor (*See reverse*).
